EUROPEAN DEEP BROWN FINISH WOOD A/V CABINET

This beautiful European deep brown finish audio/ video cabinet assembles in minutes with no tools. It can accommodate most flat panel TVs up to 46", plus at least 5 A/V components with a speaker cloth covered shelf for a center channel speaker. This model is accented by elegant sliding wood lattice doors with bronze tinted tempered safety glass. An integrated CMS® Cable Management System with interior slots hides and routes wires and interconnect cables and air flow vents provide proper air circulation. An optional PP-59 flat panel TV mounting system is also available for this model.
